DECLARATION OF CONFORMITY

The legal representative of Piuma d'Oro S.r.l.

declares that

- ✦ the company produces in accordance with the regulations that currently apply within the branch, specifically with Regulation 'CE 852/04'. Accordingly, the 'HACCP' system is applied in all phases of the production process and the product security is therefore guaranteed
- ✦ the company was acknowledged and given certification according to ISO 22000-2005, which in particular refers to food security

Following the above, we state that all batches of product to be commercialised are the result of a controlled production process and therefore in accordance with all current regulation regarding food security.
